

IBM CLOUD SERVICES

Date	31 October 2022
Team ID	PNT2022TMID12798
Project Name	Project – Signs with Smart Connectivity for Better Road Safety

Team Member 1 - Nithesh

The screenshot shows the IBM Cloud Dashboard for user Nithesh ks. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The dashboard header shows the user's name, a profile icon, and links to Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. 10 min), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes. 2 hr), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel. 15 min), and a 'Getting started' card (7 min). A 'Create resource' button is visible in the top right corner.

Team Member 2 - Raam kumar

The screenshot shows the IBM Cloud Dashboard for user Raam kumar. The top navigation bar is identical to the previous one. The dashboard header shows the user's name, a profile icon, and links to Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. 10 min), 'Build and deploy Node.js apps' (Go from zero to production in minutes with your Node.js applications, integrate with Watson and other services, scale your microservices. 15 min), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud. 7 min), and 'IBM Watson Knowledge Catalog' (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform. 2 min). A 'Create resource' button is visible in the top right corner.

Team Member 3– Rohith subramoniam

The screenshot shows the IBM Cloud Dashboard for a user named Nitish ks's Account. The dashboard features a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. Below the navigation bar, the main content area is titled "Dashboard" and includes links to "Edit dashboard" and "Upgrade account". A prominent blue button labeled "Create resource" is visible. The dashboard is organized into a "For you" section with a "Select an option" dropdown. This section contains five cards: "Build" (a large blue card with a gradient), "Set up your IBM Cloud account" (10 min, Getting started), "Build and deploy Node.js apps" (15 min, Recommended), "Build a Virtual Private Cloud (VPC)" (7 min, Getting started), and "IBM Watson Knowledge Catalog" (2 min, Recommended). Each card provides a brief description of the task and a "Getting started" or "Recommended" button.

Team Lead - Murugan

This screenshot displays the IBM Cloud Dashboard for a user named Nitish ks's Account, identical to the one above. The layout and content are the same, showing the top navigation bar, the "Dashboard" header with "Edit dashboard" and "Upgrade account" links, the "Create resource" button, and the "For you" section with five task cards: "Build", "Set up your IBM Cloud account" (10 min, Getting started), "Build and deploy Node.js apps" (15 min, Recommended), "Build a Virtual Private Cloud (VPC)" (7 min, Getting started), and "IBM Watson Knowledge Catalog" (2 min, Recommended).
